In your grievance, you claim your mail was returned to sender for having a plastic card inside the letter.

If incoming mail is received without your PFN, it will be returned to the sender, unopened. If your mail contains unauthorized items, such as obscene material or stationery items, the mail / package with its entire contents will be returned to the sender and you will receive a Return Receipt Notice. As long as your mail meets Sheriff's Office guidelines, your mail will be delivered to you within 24 hours of Santa Rita receiving it.

The Grievance Unit suggests that if you need of proof of insurance for your court proceeding, request a letter of proof from your insurer. I did it was included. It's MAIL FROM TO OFFER MAIL RETURN

RE: Retirement Funds Request

Employee Discount Certificate

Dear Mr. Nelson:

Your letter of September 20, 2007 addressed to an unknown party at NUMMI has been received.

We have reviewed the records of both the hourly employees' retirement plan, known as the Hourly Defined Benefit Plan, and the hourly employees' 401K plan, known as the Hourly Savings Plan. These would be the only possible retirement funds in which you could have participated.

Based on your employment from June of 1984 to July of 1986, you never became vested in the Hourly Defined Benefit Plan, which requires five years of employment to become vested or eligible for benefits. Consequently, nothing is payable to you from that plan.

As for the Hourly Savings Plan, participation is at the employee's option. No account for you can be located from available records which go back to 1999. This means that either you never chose to join this Plan, or that you withdrew all funds in your account after your termination of employment in 1986 (but before 1999). Therefore, nothing is payable to you from the Savings Plan either.

If you have any further questions in this regard, let me know.

Sincerely,

Greg Thompson
